

VISION AND STRATEGY

Turning students into world changing followers of Christ

THE GOSPEL WHEEL

The Gospel Wheel is a visual picture of FSM/NES's vision for accomplishing our mission. As a leader our desire is that you know this by heart.

GOSPEL

We desire for the Gospel to be at the center of ALL we do. (*Romans 5:8, Romans 1:16-17*)

GATHER

Sunday mornings we gather. Cell groups gather. Students and leaders gather for discipleship and accountability. At camps and retreats we gather. As we give leadership opportunities we gather. Every opportunity with our students is an opportunity for them to learn and grow. (*Acts 2:42-47, Ecclesiastes 4:12, Matthew 18:20*)

GROW

Our prayer is that during the times of gathering our students are challenged to grow closer to the Lord. Taking every opportunity to learn more about who He is and how we can live for His glory. (*1 Peter 2:1-3, Philippians 4:8-9*)

GO

We challenge our students to live their lives worthy of the Gospel. When they GO to school, GO home, GO to practices, GO to games, GO to rehearsals, we want them to be proclaiming Christ. We challenge them to **“Love Your City”** by loving their schools, their families, their friends. Spring Break mission trips provide them with opportunities to GO. We pray and believe that the Lord will use our students to change the world as they GO.
