FAITH IN THE GOD OF PROMISE

- What, in your life, have you been waiting for that you know is coming? (could be a gift, a holiday, a big sports event, etc)
- What do we know Joshua and the Israelites have been waiting for?
- What else have you learned about Joshua so far?

## **THEN**

Read Joshua 1:10-18 aloud as a group.

Joshua 1:10-11

- How did Joshua respond to God's promise in Joshua 1:9?
- What do you think it was like for Joshua to finally be able to tell his men it was time to enter the Promised Land?

Joshua 1:12-15

- What specific instructions does Joshua give the people to prepare for war?
- Why do you think he does this?

Joshua 1:16-18

- How do the tribes of Israel respond to Joshua's leadership?
- What choice did they make?
- How would you have responded?

## **NOW**

- What kinds of battles are you faced with today?
- What promises from Jesus are you waiting on? (read John 10:7-11)
- In light of what you learned from Joshua and the Israelites, how should we respond to God's promises in our own lives and the battles we face each day?
- Write down and share one of God's promises that you can hold on to this week.
